4B BEEFMASTER RANCH

Welcome to the **4B Ranch Production Sale**. We would be most honored to have you as our guest and hope you enjoy your time on our ranch. As you peruse the catalog and view the cattle either on DVD or in person, we believe you will see that we have a strong commitment to quality Beefmasters. The sale offers cattle with strong genetics that has *proven performance*.

You will see the influence of some great maternal genetics as *Sugar Ann, Miss Farrah, Madam 3/293, Chantilly Lace, BTV, Prissy Lady, and Totally Sugar*. These great *Legends* have produced the *Excellent Donors of the 4B Southern Bells*.

These donors have produced *TOP quality females*. Look at your video and note the correctness, confirmation, length, bone, muscle and beautiful udders of these females. These qualities only come with *great bloodlines* which we have worked so hard to achieve.

The sale offering comes from the *Cornerstone* of our herd. *Precisely Sugar, Promise Keeper, Capurnia, Carmelitta, Brown Sugar, Synergy's Lady and more*. These are very productive females that produce very correct off springs as you will see in our DVD and at the cattle viewing at the ranch.

We *welcome Great Friends of the Beefmaster Breed* to join us for our production sale. You are *always welcome at the 4B Ranch* where you receive a full guarantee of our cattle and a lot of *southern hospitality*. Lunch will be served after the sale.

If Bruce, Annette, Tom or I can be of assistance to you in your travel or lodging plans, please give us a call. My cell phone is **318-458-1066**. Tom's cell phone is **318-458-7788**. Please feel free to call us at any time.

Blessings to our Fellow Breeders,

Tom and Judy Bell

CONSULTING & MARKETING

Dear Beefmaster Breeder,

It is time for you to make plans to join us for the **4B Ranch Production Sale**. **Tom and Judy Bell** have assembled a sale offering for their semi-annual event that represents a blend of superior visual quality with the genetic predictability that is necessary for true Beefmaster breeding success. Your opportunity awaits you **October 6th, 10:30 a.m. at the RANCH in Waskom Texas**.

Tom and Judy Bell, with the help of ranch manager Ambrose Ruiz, have built a breeding program based around visually superior Beefmaster with the most proven productive genetics available in the breed. The most recent results of this breeding program will be offered to you in the **4B Ranch Production Sale**.

In keeping with the same theme of the production sale two years ago, **Precisely Sugar** will begin the parade of opportunity with **4B** allowing you to **flush** this truly superior-in-every-category female to the **bull of your choice** and **receive all the resulting production**. You then pick from her other production represented by a herdsire by **Captain Sugar** and heifers by **CF Sugar Bear** and **CF Adrenaline**. Then watch for **MoWitchy** and her pick of **CF Sugar Bear** heifers and a parade of super individuals sired by **L2 Captain Sugar, L2 Captain Jack, L2 Infinity, L2 Synergy, CF Sugar Britches, CF Adrenaline and Painted Tiger**, combined with these proven, superior maternal matriarchs: **Carmelitta, Capurnia, Brown Sugar and Promise Keeper** to name a few. The emphasis here is that this sale offering is full of opportunity with the youth-proven superior-producing genetics and the visual quality that will compete with the best in the breed. Study the catalog, and you quickly realize the great opportunity for your own breeding program advancement with a 4B Beefmaster.

These are great people with a breeding program that will help make you a better Beefmaster breeder. The **4B Ranch Production Sale** is where you can help yourself attain and surpass your own breeding goals simply by taking advantage of the opportunities being offered. We do have a **sale offering DVD** available as well as a “live, interactive catalog” at the new **HerdPerfect® Live Catalog Central** with pages that flip and video on each lot simply by clicking on that lot in the catalog or the sortable list of sale lots. Go to www.herdperfect.us/4bsale. If you can't join us at the ranch for the sale on October 6, remember to join us online at advancedvideoauctions.com, where you can **bid and buy live during the sale**.

If there is anything we can do to assist you, do not hesitate to contact any of us.

See you in Waskom!

Bruce Robbins

**TERMS AND CONDITIONS OF SALE
ADOPTED BY BEEFMASTER BREEDERS UNITED
FOR BBU APPROVED SALES
Effective September 10, 2010**

THE FOLLOWING TERMS ARE APPLICABLE TO ALL TRANSACTIONS IN BBU APPROVED SALES:

1. **BIDDING:** Each animal will be sold to the highest bidder without reserve.
2. **BIDDING DISPUTE:** The Auctioneer in charge will settle any dispute as to bids, and his decision on such matters shall be final.
3. **TERMS:** Terms of the sale are cash due upon sale, unless prior credit arrangements for the sale have been agreed upon in writing between the Buyer and Seller, in which event, the terms of the written credit arrangement between the Buyer and Seller for the sale shall prevail. The failure of a member buyer to pay the appropriate party the sale amounts when due may constitute a cause for exclusion from BBU pursuant to Article I, section 9 of the By Laws of BBU.
4. **PURCHASER'S RISK:** Each animal becomes the risk of the purchaser as soon as the auctioneer declares it sold.
5. **CERTIFICATE OF BREEDING AND/OR TRANSFERS:** All required paperwork will be transferred to the buyer at the seller's expense, upon settlement.
6. **HEALTH:** All animals will have appropriate certificates of veterinary inspection for travel to the sale site and will to the best of the seller's knowledge be eligible for interstate shipment, however, buyers need to be aware of their individual resident state's requirements for shipment of cattle. Any and all testing will have been completed within thirty (30) days of the sale date.
7. **ANNOUNCEMENTS:** Any changes in information of any kind will be announced from the auction box and such announcements shall take precedence.
8. **BREEDING GUARANTEES:** a) **FEMALES: OPEN AND/OR EXPOSED FEMALES:** Females younger than twenty-four (24) months of age can be sold as open. Open females are so guaranteed. Any female is considered a breeder if she is certified to be pregnant by a licensed veterinarian at the time of sale and/or has a nursing calf at side. Cows (including donor cows) with calves at side six (6) months or older must be certified to be pregnant by a licensed veterinarian. b) **SAFE IN CALF FEMALES** have been examined by a competent veterinarian and are so guaranteed. c) **BULLS:** Bulls eighteen (18) months or older are guaranteed to have passed a Bull Breeding Soundness Evaluation (BSE) and to have been certified a satisfactory potential breeder by a licensed veterinarian within forty-five (45) days prior to sale date. The results of the Breeding Soundness Evaluation (BSE) must be reported on a fully completed official form and attached to the health papers required for the sale.
9. **DISCLOSURE OF PRIOR PROCEDURES:** If known to the seller, there must be a disclosure in the current sale catalog or from the box of any circumcision or other surgical alteration of any underline of any male or female and of any single egg or super-ovulation flush of any female sold in a BBU Approved Sale.
10. **INHERITED DEFORMITIES GUARANTEE:** All bred females are guaranteed not to produce a calf with an inherited deformity occurring in Bovine for a period of nine months following date of sale.
11. **REPRESENTATIONS AND GUARANTEES:** All representations and guarantees, whether set forth in sale catalogs, these Terms and Conditions of Sale or otherwise, are solely those of seller and are not those of BBU. Except for the assurances set forth in the Approved Sales Agreement that an animal does not exhibit a genetic defect and that its registry information is consistent with the information in BBU's records, BBU makes no representations, warranties, guaranties or assurances whatsoever.
12. **RIGHTS AND OBLIGATIONS:** The above terms and conditions of sale shall constitute a contract between buyer and seller of each animal and shall be equally binding upon both. Each sale or resale of an animal constitutes a separate transaction. Neither BBU, the sale manager, nor any other person connected with the management of the sales assumes any liability, legal or otherwise, for any subsequent resale of an animal.
13. **REMEDIES:** a) **OPEN AND/OR EXPOSED FEMALES** are guaranteed to be breeders by twenty-four (24) months of age except in cases of animals purchased and then fitted for show or administered any super ovulation drug. In cases of animals fitted for show or administered any super ovulation drug after purchase, the breeding guarantees, if any, shall be such as agreed upon between buyer and seller. All claims for a refund must be made in writing to the seller within six (6) months after the animal reaches twenty-four (24) months of age. Open females are so guaranteed. If within sixty (60) days after the sale date, a female sold as "open" proves to be with calf, the buyer may return the female to the farm of the seller, provided the female is in good condition and in compliance with the health requirements of the seller's state, and receive refund of the full purchase price. The acceptance of the refund of the full purchase price shall in any case be deemed full satisfaction and settlement of the matter. The buyer's failure to notify the seller within sixty (60) days from the date of sale and to make the election as hereinabove provided shall relieve and absolve the seller of any duty, obligation or liability to the buyer regarding the purchase of said female. The seller and buyer shall bear equally all reasonable and necessary transportation expenses that are incurred in returning the animal to seller. b) **SAFE IN CALF FEMALES** are guaranteed to have been examined by a licensed veterinarian. If within thirty (30) days after sale date, a female sold as "safe in calf" proves not to be in calf, the buyer may immediately request that the female receive service from the bull previously used, if available, or return the female to the farm of the seller, provided the female is in good condition and in compliance with the health requirements of the seller's state, for a refund of the full purchase price. The acceptance of the refund of the full purchase price shall in any case be deemed full satisfaction and settlement of the matter. The buyer's failure to notify the seller within thirty (30) days from the sale date and to make the election as hereinabove provided shall relieve and absolve to the seller of any duty, obligation or liability to the buyer regarding the purchase of said female. The seller and buyer shall bear equally all reasonable and necessary transportation expenses that are incurred in returning the animal to seller. c) **FLUSHES AND TIME REQUIREMENTS:** A flush consists of all viable embryos, transferred or frozen, received from a female as the result of the administration of any super ovulation drug. The sale of a flush or resulting pregnancies must specify in the sale catalog the number of pregnancies guaranteed and the disposition of any other pregnancies resulting from the flush, the disposition of any frozen embryos resulting from the flush and any additional charge for the recipient cows. The maximum time for the delivery of the guaranteed results must be specified along with a payment schedule. Non-delivery or only partial delivery by the specified time by the seller will result in a pro-rata refund of all monies paid by the buyer for such flush or pregnancies not delivered. d) **PREGNANCY AND/OR PREGNANT RECIPIENT COW:** Pregnancy and/or pregnant recipient cow is a cow of any breed that is carrying a pregnancy (guaranteed to have been examined by a licensed veterinarian as safe in calf) as the result of a flush as so stated on the certification of embryo transplant form. Such pregnancy and/or pregnant recipient cow is guaranteed to be carrying the embryo pregnancy so stated and if found not safe in calf by a licensed veterinarian within thirty (30) days of delivery of the recipient cow to the buyer, the buyer will have the same remedies as set forth in clause b) for the safe in calf females. The amount bid by the buyer for the individual pregnancy and/or pregnant recipient cow offered at a sale will be inclusive of the recipient cow. A pregnancy and/or pregnant recipient cow should be available at the sale site; however, if not available it must be delivered to the buyer, at the seller's expense, within thirty (30) days of the sale with the necessary health papers sufficient for delivery to the buyer. e) **CLONES:** Only BBU replication cell-cloned animals shall be eligible for registration and eligible to sell in BBU Voluntary Approved Sales. Genetically modified animals shall not be eligible for registration and cannot sell in BBU Approved Sales. Cloned animals shall be guaranteed by the seller to be breeders under the same terms of the agreement for females and bulls. Any additional guarantees with respect to clones shall be by separate agreement between buyer and seller. f) **BULLS:** If within one-hundred twenty (120) days from the date of sale, the bull has failed to pass a Breeding Soundness Evaluation ("BSE") certified by a licensed veterinarian, buyer must send seller written notification of the failure of the test within one-hundred and twenty (120) days from the date of sale and include the BSE test results. Within sixty (60) days after sellers notification of the failed BSE test, buyer and seller shall identify a mutually agreeable licensed veterinarian or technician certified by a licensed veterinarian to perform another BSE on the bull at the buyer's expense. The results of the test shall be deemed final and conclusive of this matter and binding on buyer and seller. If, in the opinion of said veterinarian or technician, the bull is unable to pass a BSE and be confirmed a satisfactory potential breeder, he shall so certify in writing to the seller and the buyer which shall include the official form used by the Society of Theriogenology or the official BBU Breeding Soundness Evaluation form. In such event the buyer may return the bull to the farm of seller, provided the bull is in good condition and in compliance with the health requirements of the seller's state, for a refund of the full purchase price. The acceptance of the refund of the full purchase price shall in any case be deemed full satisfaction and settlement of the matter. The seller and buyer shall bear equally all reasonable and necessary transportation expenses that are incurred in returning the animal to seller. A listing of industry standards for Scrotal Circumferences for bulls at various ages will be printed in the sale catalog. Satellites, Marketing Groups, or individuals may specify additional guarantees.

Voluntary Classification Guidelines:

Cattle are visually inspected by a BBU field representative for desirable traits. Each animal is classified according to BBU's Standards of Excellence.

Any bull or female in the "U" category will be so designated on the BBU Certificate of Breeding along with the date and initials of the BBU field representative. To be presented for a "U" classification, males and female must be a minimum of 8 months with no upper age limit. Classification of Certified Beefmaster cattle is \$5.00 per head or \$350.00 per stop, whichever is greater.

Any bull or female in the "X" category will be removed from the registry by BBU's office and so noted by correspondence to the member. BBU will not charge the member a classification fee for an "X" animal.

Bulls must have a yearling scrotal measurement (taken between 320-410 days of age) of at least 30 cm to meet the "U" qualification. A measurement of 34 cm is the objective.

All cattle presented for classification must have permanent identification and must be certified or an application for certification must be presented to the field representative.

To receive a number score all animals must have a "U" classification.

All animals (male and female) aged 13 months and up may be presented for "U" classification and number scores for conformation and underline, with the stipulation that if the animal is seen later in a BBU Approved or Sanctioned Sale it is subject to reclassification by the BBU field service representative at the sale (at no charge).

Scrotal Circumference Scores:

SCORE	AGE		
	15-20 Mo. Old	21-30 Mo. Old	Over 30 Mo. Old
Very Good	More than 37 cm.	More than 39 cm.	More than 40 cm.
Good	31-37 cm.	32-39 cm.	33-40 cm.
Poor	Less than 31 cm.	Less than 32 cm.	Less than 33 cm.

**BBU's Mission is to enhance breeder's ability to raise
and promote cattle based upon the founding "Six Essentials:"
Disposition, Fertility, Weight, Conformation, Hardiness, Milk Production.**

Sugar Bear x Carmelitta

Carmelitta is one of 4B's favorite donors. She is beautiful and feminine with a long and beautiful neck. She is an elegant female. She came to us from L2 with a bloodline of Cavalier, Carmenett, Oasis, and Captain Sugar. This female is a shadow of her Dam.

Synergy Chic (117/3) was purchased from Trey Peck, and she made 4B Ranch very proud. Her production was "Front Pasture Ready" at birth. Every calf that she has produced was one to be excited about and proud of. This daughter will prove to be as exquisite as her dam.
