# WELCOME TO CAIN CATTLE COMPANY AT PICKENS RANCH

Dear Cattlemen,

Thank you for your interest in Cain Cattle Company. My family, staff and I welcome you to our operation here at our indoor sale facility in Pickens, Mississippi for our 2012 Dispersal Sale.

This sale is a rare opportunity for anyone looking to improve their Angus and Brangus herds. The sale arose out of our decision to downsize Cain Cattle Company, and you can be a beneficiary. As you will find in this catalog, and during our sale, we have focused only on the very best genetics available today in these two breeds.

To develop the foundation of our Brangus herd, we gathered the very best and most proven genetics in the breed. By acquiring some of Brinks Brangus and Camp Cooley Ranches' top genetics, we have built one of the industry's most solid base herds. Over time, we've been able to continue that tradition of excellence, and today we offer a unique combination of genetics not found anywhere else in the breed.

On the Angus side, the same philosophy has been used to develop the very best base possible. The foundation of our Angus herd was developed through genetics purchased from Wierman Angus of Virginia and Dreamcatcher Ranch of Texas. Over the years we've focused on using only the industry's top genetics, and today we're offering some of the industry's top Dollar Value (\$Value) Indexing cattle.

If you can't make it to Pickens to join us at the sale, please go to [www.advancedvideoauctions.com](http://www.advancedvideoauctions.com) and review the lots and register to bid online with us on sale day. Also, we invite you to visit our interactive Catalog Central, which includes videos and an excellent tool you won't want to miss – a sortable data gallery that includes a data table on all lots in the sale. You can sort all cattle in the sale, from high to low or low to high, on whichever data column you wish to sort. To access the interactive catalog, go to [www.herdperfect.us/caindispersal2012](http://www.herdperfect.us/caindispersal2012).

This sale offers you a unique opportunity to take home some of the very best genetics available today in the Angus and Brangus breeds. We hope you'll take us up on this opportunity and join us in Pickens.

Sincerely,  
*Ted Cain*

Fellow Breeders,

On behalf of Ted Cain and the crew of Cain Cattle Company, please accept our invitation to attend the dispersal of our Angus, Brangus, and Ultrablack herds.

Adversity seems to have become too commonplace for the cattle breeders in our great country, with drought encompassing half of the states. However, with any trial, there is always an opportunity and a silver lining.

Our herds of cattle offer unique Angus and Brangus genetics that cannot be found anywhere else in the country. Coupled with that, are the Ultrablack females in this sale. We believe strongly that with the pending bylaw change in the breeding up program of Brangus that the Ultrablack female will be in tremendous demand. Our Ultrablacks are the best you will find....Period.

The service sires and calves at side of the Angus cowherd are represented by the powerhouse bulls Poss Total Impact and SAV Harvester. We believe these two bulls will have a major impact on the Angus breed for years.

On the Brangus side, CCC Intrepid 803W6 and Onstar are the strength and backbone of the fall calves and spring breds. Intrepid is a moderate framed Csonka son with tremendous thickness and eye appeal who is out of the famed 803M donor cow.

This is a dispersal sale that you don't want to miss. There are innumerable opportunities that won't ever be duplicated again and this could be the silver lining you've been waiting for.

Sincerely,

*Bill Felton*  
Manager, Cain Cattle Company

# MARKETING COMMENTS

Dear Cattlemen:

December 3rd and 4th will be a great opportunity to advance your Angus or Brangus programs by taking advantage of the Cain Cattle Company proven genetics, performance, and overall management program. A cow sale of this magnitude offers Breeders the chance to purchase cattle that someone else has spent years to develop as well as a boat load of money to build.

The Monday offering of Angus features over 180 Fall pairs with calves at side sired by a Predestined son, a TC Total son, a Mytty In Focus son, and some Ultrablack calves sired by a Lead Gun and Cadence bred bull. The majority of the 150 Spring bred females sell with A.I. service to SAV Harvester.

The Tuesday offering will have 50 Brangus Fall Pairs, 160 Spring Breds including 50 high quality Ultrablacks. There are several proven Brangus Donor cows as

well as many potential Donor prospects. Some of the featured Camp Cooley cow families include 30, 75, 361, 392, 468, 535, 541, 607, 782, and 803. The Brangus Herd Bulls are led off with Intrepid 803W6, a Csonka son out of the prolific 803M Donor cow. The calves are great. Another proven bull is 468U15. This Singletary son out of the 468R18 Donor cow has been used heavily for Brangus and Ultrablack matings. There are also some excellent young Herd Sires selling.

This 2-day event will offer something for everyone. Mark December 3rd and 4th on your calendar and please call if you have questions about the cattle.

Sincerely,

*Gary Brunst*

# TERMS AND CONDITIONS

## BIDDING

Each animal will be sold to the highest bidder without reserve. The auctioneer will settle any disputes as to bids, and his decision on such matters shall be final.

## TERMS

Each animal becomes the risk of the purchaser as soon as sold, but it shall be the obligation of the seller to see that animals are fed and cared for, until loaded for shipment or until the expiration of 48 hours after the sale, whichever occurs sooner. After 48 hours a maintenance fee of \$2.00 per day will be assessed until pick up unless Cain Cattle is arranging trucking.

## CERTIFICATE OF REGISTRY

A transferred certificate of registry will be furnished to the purchaser for each registered animal, once proper settlement has been made. Please allow up to 60 days for transfer.

## HEALTH

All animals are eligible for interstate shipment except as otherwise noted and health papers will be furnished for each animal.

## ANNOUNCEMENTS

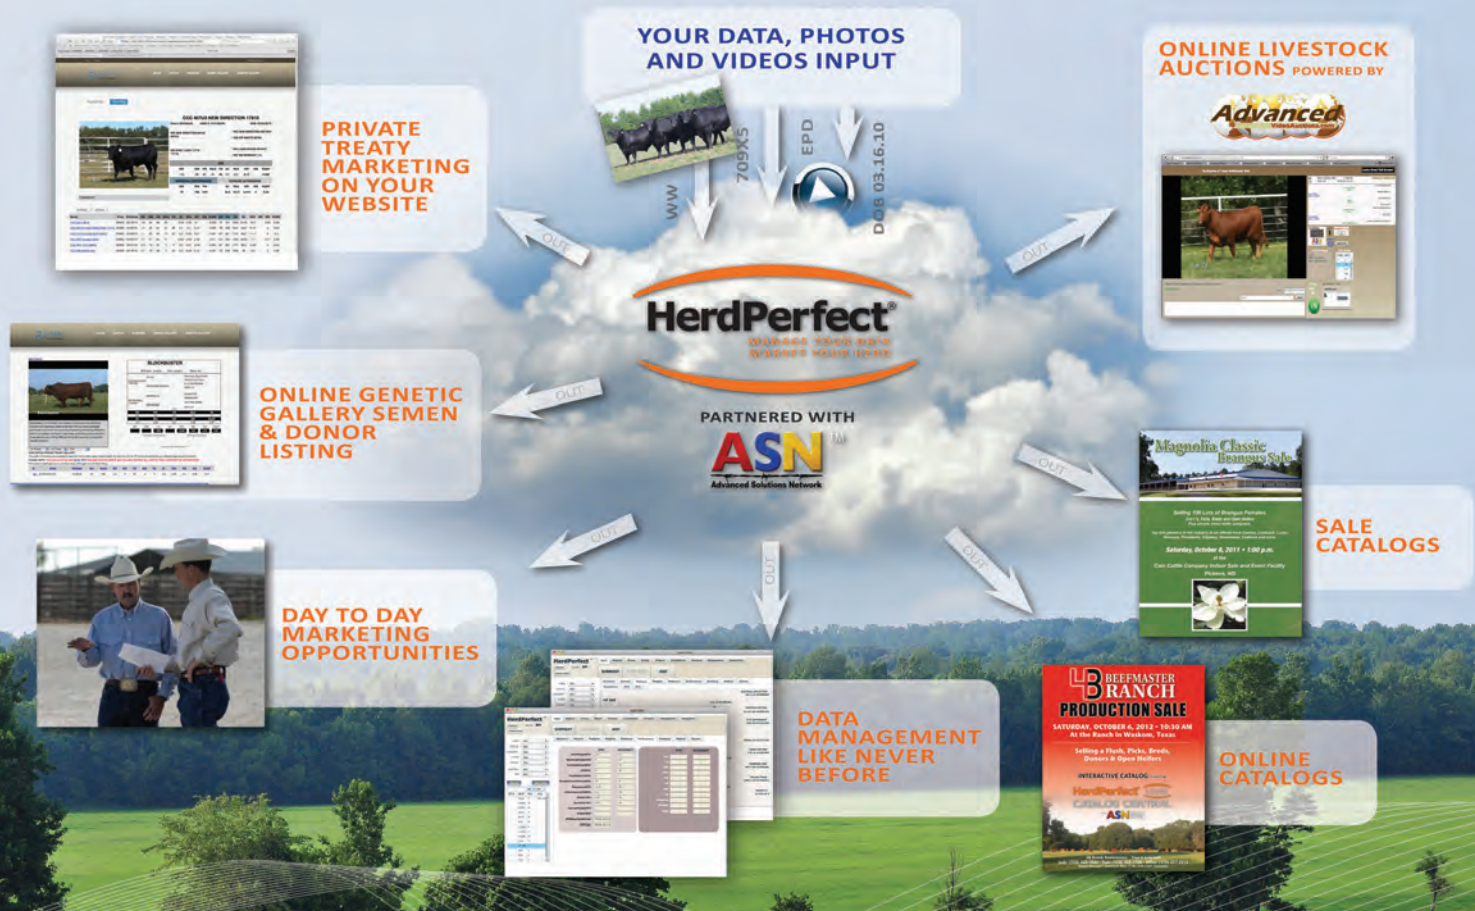

Any changes from the information of any kind in this catalog will be provided in a sale day supplement sheet or announced from the auction block and such information shall take precedence over catalogued information.
