# INTERSTATE CATTLE SERVICES, INC.

Dear Beefmaster Breeders,

The summer is quickly coming to an end, and for most it has been a mild, wet excellent year! I hope this Catalog letter finds you enjoying the cattle business, and in need of herd improvements. We decided at the last minute to go ahead with plans for this sale, once Mother Nature gave us her blessing with some excellent rainfall throughout the central states, the south east, and most of Texas. As you know The Southern Revolution sale is designed to provide an outlet for those breeders who all share a common breeding philosophy, a place to come together and market their cattle. Though each breeder featured in this sale have very individual programs, they all share a common desire to raise quality Beefmaster cattle that function in the real world, with the most performance data available, all by cow families they have developed and proven. These Breeders have done all the work for you, spending years proving their cattle, so you the educated buyer can purchase their cattle with total confidence. The sale hosts range from 40 years to 4 years in the business, but all share the common desire to sell the best Beefmaster cattle they can raise.

We have chosen to host this year's sale at the Louisiana State fairgrounds, located in Shreveport, because it is very central to the consignors, and progressive cattlemen from around the country. We will be hosting the sale online with Advanced Video Auctions to provide you instant access to the sale offering right in your home. Shreveport serves as a hub from which we can send cattle throughout the entire South and central part of the country with minimum transportation costs. In addition to its central location, Shreveport also offers up a wide variety of entertainment, that the whole family can enjoy. Be sure to visit one of the many restaurants featured at the board walk down on the river. The ladies can enjoy endless shopping also conveniently located on the board walk, and don't miss the Bass Pro Shop. Of course everyone knows about the Casinos, so if you're feeling lucky, stay an extra night, and take it all in. Most of all we want you to come see the fruits of our labor, an excellent set of quality Beefmaster cattle!

The Sale offering is diverse, with cattle to represent every breeding philosophy, and every category. Cattlemen today are interested in acquiring cattle to provide them the most for their dollar. This year's sale is comprised of bred heifers, pairs, 3 in 1s, heavy bred cows, and one totally proven black herdsire. For questions regarding the sale offering, please feel free to contact myself or our sales consultant Mike Green as we will be happy to assist you. He and I will also be available to assist with telephone bidding as well on sale day. Gerald Bowie will be our sale day auctioneer, with ring service from the Beefmaster Cowman, Gulf Coast, and The Weekly Livestock Journal. We look forward to seeing you in Shreveport!

Sincerely,

Dan Waddoups
