Dear Beefmaster Breeders,

Welcome to the Springtime In Texas Sale, April 28 at the Washington County Fairgrounds. As in previous years this sale is loaded with quality, pedigree and performance from five breeders that have made it their mission to produce seedstock Beefmaster cattle in a total package.

The amount of quality individuals will overwhelm even the most discriminating breeders. Fifty five lots of cattle from the top of their breeding programs will be offered. You will find influence from the top breeding bulls today to include service from the new "top guns" of tomorrow.

One of the highlights of the offering is the semen lot of every bull that these breeders are using with great success. Semen is priced for sale day only at \$55 per unit, which is virtually half of what we normally sell it for. Black Jack 21 has not been priced this low in many years. His son Ace In The Hole has only limited semen due to his passing last year. Along with Bulletproof these bulls continue to prove their value. The young guns will include Smith and Wesson now owned by Kix Brooks and Mike Leatherwood. If you haven't seen his calves, lookout, they are phenomenal. Red Bayou who boasts one of the highest scan data in our breed will be offered along with his service on a lot of the breds in the sale. These two bulls are destined for greatness. Mark it down!

Rick will sell the first flush out of Judy Is A Ten at this sale. This may be the best individual I have seen in many years. She is Bulletproof out of Tiger Queen and will be her replacement in Rick's donor battery. This lot will put you on the map!

I am very excited about this offering. This is one sale you don't want to miss. After the sale Cindy Emmons will host our JBBA heifer show at the same site. Please contact her with details.

The sale will be offered sale day live with Advanced Video Auctions. Please see the catalog page for instructions on how to register and bid on line if you can't make the sale.

Quality, pedigree, and performance from reputable breeders make April 28 the sale to be at. We look forward to seeing you in Brenham. Call myself, Anthony Mihalski or Dan Waddoups with any questions you have.

Sincerely,

A handwritten signature in cursive script that reads "Mike".

Advanced Video Auctions (AVA) provides live video auctions, webinars, and many other marketing and meeting presentations in real time over the internet.

The **AVA** system was created and developed especially for the marketing and promotion of livestock and is well proven to provide a unique presentation for various livestock events via the internet.

Videos, still images and detailed information on each of the lots offered are available prior to the sale and may be viewed anytime at www.AdvancedVideoAuctions.com. You do not need a username or password in order to preview the sale offering prior to the sale, but we do encourage you to **Register Early** for the sale to obtain your username and password that you will be able to use on the **AVA** system for each sale where you desire to become a buyer.

On sale day you will log on with your username and password and will then be able to view the auction broadcasted with either live streaming video or pre-recorded video of the lots and on some events, you will see both. In addition, the **AVA** system provides **live streaming audio** from the sale site so you don't miss any part of the auction action, hearing the auctioneer and other comments announced. Plus, you can **privately chat** in real time with the on-site bid administrator.

Please go to www.AdvancedVideoAuctions.com to register for the sale or event. You only have to register once for all events held! Please try to register prior to sale or event day. Also, please note that payment terms are unique and specific for each sale. Please review any of the sale terms ahead of time and if you have any questions, you can contact the sale personnel designated for that auction.

TERMS AND CONDITIONS OF SALE
ADOPTED BY BEEFMASTER BREEDERS UNITED
FOR BBU APPROVED SALES

Effective September 10, 2010

THE FOLLOWING TERMS ARE APPLICABLE TO ALL TRANSACTIONS IN BBU APPROVED SALES:

1. **BIDDING:** Each animal will be sold to the highest bidder without reserve.
2. **BIDDING DISPUTE:** The Auctioneer in charge will settle any dispute as to bids, and his decision on such matters shall be final.
3. **TERMS:** Terms of the sale are cash due upon sale, unless prior credit arrangements for the sale have been agreed upon in writing between the Buyer and Seller, in which event, the terms of the written credit arrangement between the Buyer and Seller for the sale shall prevail. The failure of a member buyer to pay the appropriate party the sale amounts when due may constitute a cause for exclusion from BBU pursuant to Article I, section 9 of the By Laws of BBU.
4. **PURCHASER'S RISK:** Each animal becomes the risk of the purchaser as soon as the auctioneer declares it sold.
5. **CERTIFICATE OF BREEDING AND/OR TRANSFERS:** All required paperwork will be transferred to the buyer at the seller's expense, upon settlement.
6. **HEALTH:** All animals will have appropriate certificates of veterinary inspection for travel to the sale site and will to the best of the seller's knowledge be eligible for interstate shipment, however, buyers need to be aware of their individual resident state's requirements for shipment of cattle. Any and all testing will have been completed within thirty (30) days of the sale date.
7. **ANNOUNCEMENTS:** Any changes in information of any kind will be announced from the auction box and such announcements shall take precedence.
8. **BREEDING GUARANTEES:**
 - a) **FEMALES: OPEN AND/OR EXPOSED FEMALES:** Females younger than twenty-four (24) months of age can be sold as open. Open females are so guaranteed. Any female is considered a breeder if she is certified to be pregnant by a licensed veterinarian at the time of sale and/or has a nursing calf at side. Cows (including donor cows) with calves at side six (6) months or older must be certified to be pregnant by a licensed veterinarian.
 - b) **SAFE IN CALF FEMALES** have been examined by a competent veterinarian and are so guaranteed.
 - c) **BULLS:** Bulls eighteen (18) months or older are guaranteed to have passed a Bull Breeding Soundness Evaluation (BSE) and to have been certified a satisfactory potential breeder by a licensed veterinarian within forty-five (45) days prior to sale date. The results of the Breeding Soundness Evaluation (BSE) must be reported on a fully completed official form and attached to the health papers required for the sale.
9. **DISCLOSURE OF PRIOR PROCEDURES:** If known to the seller, there must be a disclosure in the current sale catalog or from the box of any circumcision or other surgical alteration of any underline of any male or female and of any single egg or super-ovulation flush of any female sold in a BBU Approved Sale.
10. **INHERITED DEFORMITIES GUARANTEE:** All bred females are guaranteed not to produce a calf with an inherited deformity occurring in Bovine for a period of nine months following date of sale.
11. **REPRESENTATIONS AND GUARANTEES:** All representations and guarantees, whether set forth in sale catalogs, these Terms and Conditions of Sale or otherwise, are solely those of seller and are not those of BBU. Except for the assurances set forth in the Approved Sales Agreement that an animal does not exhibit a genetic defect and that its registry information is consistent with the information in BBU's records, BBU makes no representations, warranties, guaranties or assurances whatsoever.
12. **RIGHTS AND OBLIGATIONS:** The above terms and conditions of sale shall constitute a contract between buyer and seller of each animal and shall be equally binding upon both. Each sale or resale of an animal constitutes a separate transaction. Neither BBU, the sale manager, nor any other person connected with the management of the sales assumes any liability, legal or otherwise, for any subsequent resale of an animal.
13. **REMEDIES :**
 - a) **OPEN AND/OR EXPOSED FEMALES** are guaranteed to be breeders by twenty-four (24) months of age except in cases of animals purchased and then fitted for show or administered any super ovulation drug. In cases of animals fitted for show or administered any super ovulation drug after purchase, the breeding guarantees, if any, shall be such as agreed upon between buyer and seller. All claims for a refund must be made in writing to the seller within six (6) months after the animal reaches twenty-four (24) months of age. Open females are so guaranteed. If within sixty (60) days after the sale date, a female sold as "open" proves to be with calf, the buyer may return the 9/10/2010 female to the farm of the seller, provided the female is in good condition and in compliance with the health requirements of the seller's state, and receive refund of the full purchase price. The acceptance of the refund of the full purchase price shall in any case be deemed full satisfaction and settlement of the matter. The buyer's failure to notify the seller within sixty (60) days from the date of sale and to make the election as hereinabove provided shall relieve and absolve the seller of any duty, obligation or liability to the buyer regarding the purchase of said female. The seller and buyer shall bear equally all reasonable and necessary transportation expenses that are incurred in returning the animal to seller.

b) SAFE IN CALF FEMALES are guaranteed to have been examined by a licensed veterinarian. If within thirty (30) days after sale date, a female sold as “safe in calf” proves not to be in calf, the buyer may immediately request that the female receive service from the bull previously used, if available, or return the female to the farm of the seller, provided the female is in good condition and in compliance with the health requirements of the seller’s state, for a refund of the full purchase price. The acceptance of the refund of the full purchase price shall in any case be deemed full satisfaction and settlement of the matter. The buyer’s failure to notify the seller within thirty (30) days from the sale date and to make the election as hereinabove provided shall relieve and absolve to the seller of any duty, obligation or liability to the buyer regarding the purchase of said female. The seller and buyer shall bear equally all reasonable and necessary transportation expenses that are incurred in returning the animal to seller.

c) FLUSHES AND TIME REQUIREMENTS: A flush consists of all viable embryos, transferred or frozen, received from a female as the result of the administration of any super ovulation drug. The sale of a flush or resulting pregnancies must specify in the sale catalog the number of pregnancies guaranteed and the disposition of any other pregnancies resulting from the flush, the disposition of any frozen embryos resulting from the flush and any additional charge for the recipient cows. The maximum time for the delivery of the guaranteed results must be specified along with a payment schedule. Non-delivery or only partial delivery by the specified time by the seller will result in a pro-rata refund of all monies paid by the buyer for such flush or pregnancies not delivered.

d) PREGNANCY AND/OR PREGNANT RECIPIENT COW: Pregnancy and/or pregnant recipient cow is a cow of any breed that is carrying a pregnancy (guaranteed to have been examined by a licensed veterinarian as safe in calf) as the result of a flush as so stated on the certification of embryo transplant form. Such pregnancy and/or pregnant recipient cow is guaranteed to be carrying the embryo pregnancy so stated and if found not safe in calf by a licensed veterinarian within thirty (30) days of delivery of the recipient cow to the buyer, the buyer will have the same remedies as set forth in clause b) for the safe in calf females. The amount bid by the buyer for the individual pregnancy and/or pregnant recipient cow offered at a sale will be inclusive of the recipient cow. A pregnancy and/or pregnant recipient cow should be available at the sale site; however, if not available it must be delivered to the buyer, at the seller’s expense, within thirty (30) days of the sale with the necessary health papers sufficient for delivery to the buyer.

e) CLONES: Only BBU replication cell-cloned animals shall be eligible for registration and eligible to sell in BBU Voluntary Approved Sales. Genetically modified animals shall not be eligible for registration and cannot sell in BBU Approved Sales. Cloned animals shall be guaranteed by the seller to be breeders under the same terms of the agreement for females and bulls. *Any additional guarantees with respect to clones shall be by separate agreement between buyer and seller.*

f) BULLS: If within one-hundred twenty (120) days from the date of sale, the bull has failed to pass a Breeding Soundness Evaluation (“**BSE**”) certified by a licensed veterinarian, buyer must send seller written notification of the failure of the test within one-hundred and twenty (120) days from the date of sale and include the BSE test results. Within sixty (60) days after seller’s notification of the failed BSE test, buyer and seller shall identify a mutually agreeable licensed veterinarian or technician certified by a licensed veterinarian to perform another BSE on the bull at the buyer’s expense. The results of the test shall be deemed final and conclusive of this matter and binding on buyer and seller. If, in the opinion of said veterinarian or technician, the bull is unable to pass a BSE and be confirmed a satisfactory potential breeder, he shall so certify in writing to the seller and the buyer which shall include the official form used by the Society of Theriogenology or the official BBU Breeding Soundness Evaluation form. In such event the buyer may return the bull to the farm of seller, provided the bull is in good condition and in compliance with the health requirements of the seller’s state, for a refund of the full purchase price. The acceptance of the refund of the full purchase price shall in any case be deemed full satisfaction and settlement of the matter. The seller and buyer shall bear equally all reasonable and necessary transportation expenses that are incurred in returning the animal to seller. A listing of industry standards for Scrotal Circumferences for bulls at various ages will be printed in the sale catalog. Satellites, Marketing Groups, or individuals may specify additional guarantees.

THIS IS A BBU APPROVED SALE AND FOLLOWS THE BBU VOLUNTARY SALE AGREEMENT (on file at BBU office).

BBU Mission Statement:

Our Mission is to enhance breeders’ ability to raise and promote cattle based upon the founding “Six Essential”.

Our Vision is to increase worldwide demand for Beefmaster cattle.

Guiding Principles:

1. Always strive for breed improvement.
2. Never compromise integrity.
3. Expand... Encourage... Educate.

**Beefmaster
Breeders
United**

Voluntary Classification Guidelines:

Cattle are visually inspected by a BBU field representative for desirable traits. Each animal is classified according to BBU's Standards of Excellence.

Any bull or female in the "U" category will be so designated on the BBU Certificate of Breeding along with the date and initials of the BBU field representative. To be presented for a "U" classification, males and females must be a minimum of 8 months with no upper age limit. Classification of Certified Beefmaster cattle is \$5.00 per head or \$350.00 per stop, whichever is greater.

Any bull or female in the "X" category will be removed from the registry by BBU's office and so noted by correspondence to the member. BBU will not charge the member a classification fee for an "X" animal.

Bulls must have a yearling scrotal measurement (taken between 320-410 days of age) of at least 30 cm to meet the "U" qualification. A measurement of 34 cm is the objective.

All cattle presented for classification must have permanent identification and must be certified or an application for certification must be presented to the field representative.

To receive a number score all animals must have a "U" classification.

All animals (male and female) aged 13 months and up may be presented for "U" classification and number scores for conformation and underline, with the stipulation that if the animal is seen later in a BBU Approved or Sanctioned Sale it is subject to reclassification by the BBU field service representative at the sale (at no charge).

Scrotal Circumference Scores:

SCORE	AGE		
	15-20 Mo. Old	21-30 Mo. Old	Over 30 Mo. Old
Very Good	More than 37 cm.	More than 39 cm.	More than 40 cm.
Good	31-37 cm.	32-39 cm.	33-40 cm.
Poor	Less than 31 cm.	Less than 32 cm.	Less than 33 cm.

Beefmaster Breeders United
Approved Sale Agreement
(For Consignors, Sale Managers and Consultants)

In consideration of the permission granted by Beefmaster Breeders United (“**BBU**”) for the undersigned to conduct a BBU Approved Sale and the mutual agreements set forth below, I hereby agree to the following terms and conditions:

1. All cattle to be sold shall be represented by the seller as properly identified with permanent identification number. All identification numbers, branded or tattooed on an animal, and the description must match identically the identification numbers, holding brands and description listed on the Certificate of Breeding.
2. At the time of the sale, all cattle exhibiting any genetic defect that, in the opinion of the designated BBU official, would be a detriment to the breed, and all cattle that, in the opinion of the designated BBU official, would classify “X” under the BBU Voluntary Classification Program will be removed from the sale offering.
3. BBU’s fees for services rendered in connection with an Approved Sale are available upon request from the BBU office.
4. The designated BBU official responsible for implementing the above regulations will be at the sale site in ample time to inspect the cattle and accompanying records prior to the commencement of the sale and I agree to provide such official with appropriate access and accommodations required to assure full compliance with the terms of this Agreement.
5. All cattle sold, other than First and Second Cross calves under fourteen (14) months of age and the embryo recipients, must have BBU Certificates of Breeding. All First and Second Cross calves under fourteen (14) months of age must be accompanied by a properly completed and executed Application for Certificate of Breeding. The sale management or seller must present all Certificates of Breeding (or applications when applicable) to the BBU office ten (10) business days prior to sale date. Substitute animals will be accepted provided the Certificates of Breeding (or applications) are in compliance with all applicable requirements upon arrival at the sale site.
6. All semen and frozen embryos sold at a BBU Approved Sale must have a completed BBU AI Certificate Form or Embryo Bill of Sale provided at the time of the sale. The BBU AI Certificate Form or Embryo Bill of Sale shall include, if applicable, the Blood Typing Case # and DNA Genotype Case # of the bull whose semen is sold, or the sire and dam of the embryos being sold. All A’I Sires and Donor Dams must have a DNA Profile on file (or Blood Typing, if applicable) at BBU prior to the approved sale date. BBU approved sale catalogs must include the blood type case number and DNA genotype case number of all animals selling that have been typed; and include the blood type case number and DNA genotype case number of the sire and dam (if typed) of all animals selling. The PV designation for “Parent Verified” must also be included in the BBU Approved Sale catalog on each animal to which it is applicable.
7. BBU Certificate of Breeding number of each service sire of a bred female must be indicated in the sale catalog.
8. If an animal is classified, such classification must be reflected in the catalog, as provided for below or on the pen card if applicable or announced from the box. All existing available official BBU performance information will be included in the following block, (only that portion of the block must be printed where official BBU information exists) for the display of official BBU classification and performance information. The sample block below may be used or other formats may be used but the information must be official BBU data as listed on the registration certificate.

YOU ARE RIGHT! BULLET PROOF AND SATIN LADY (CAVALIER AND SILK STOCKINGS). THEY ARE YOUNG BUT THEY ARE ALL DONORS PROSPECTS. WITH THESE GENETICS, YOU HAVE 3 CORNERSTONE DONOR PROSPECTS THAT YOU CAN START YOUR HERD OR IMPROVE YOUR HERD. THIS IS A GREAT OPPORTUNITY AND YOU WILL HAVE A TOUGH TIME PICKING, BECAUSE THEY ALL ARE GREAT AND BUILT JUST THE WAY YOU WANT THEM.

WHERE DID I GET THIS NAME? EARLY ONE MORNING AT MY FAVORITE STARBUCKS STORE! MAYBE THE MAN WAS HAVING TROUBLE ORDERING THAT MORNING, BUT IT SOUNDED GREAT AND THE NAME IS PERFECT FOR THIS YOUNG HEIFER. WHEN YOU SEE HER YOU WILL GET EXCITED TOO! DON'T FORGET, I SOLD A PICK OUT OF THIS SAME FLUSH AT THE PRESIDENT COUNCIL SALE THIS PAST YEAR AND IT BROUGHT OVER \$15,000. THESE ARE JUST AS GOOD. DNA TESTED AND READY TO BE YOUR NEXT DONOR.

THIS IS JUST A YOUNGER VERSION OF CJAYE. SHE IS STRONG, LONGER THAN A WELL ROPE AND FEMININE. YOU GET THE WHOLE ENCHILADA WITH THIS YOUNG GIRL. HERE IS ANOTHER RARE CHANCE TO GET A BULLET PROOF AND STACI IMAGE HEIFER. I COULD TALK FOR A LONG TIME WHEN IT COMES TO GENETICS, BUT I WILL END BY SAYING "ADD OASIS TO THE MIX".

HERE IS A FLUSH-MATE TO A GREAT SHOW HEIFER THAT JBBA MEMBER MEKALA SEARS-SMITH SHOWS. WON HER CLASS IN HOUSTON. JASON LYMAN OUR RANCH FOREMAN STRUGGLED OVER WHICH WAS THE BEST WHEN THEY WERE YOUNGER. I'M STILL NOT SURE HE PICKED THE RIGHT ONE. NOW LOOK AT JINGLES NUMBERS. 1.33 RIB-EYE AND A 3.25 IMF. MAKE HER YOUR CORNERSTONE FOR THE FUTURE. SHE HAS BEEN DNA TESTED! BY THE WAY SUGAR BRITCHES AND BLACK QUEEN! WOW! WHAT A PEDIGREE.
